Environmental Health and Safety

The Environmental Health and Safety (EHS) Department is located in the Facilities Management Building at 1318 Maple St. (2nd entrance). The Department provides a variety of services to students, staff and faculty members. Services include: laboratory safety; EHS training; environmental and hazardous waste management; chemical procurement and distribution; chemical spill response; radiation safety; and biosafety.

EHS Staff are available to consult on Environmental Health and Safety topics, questions or concerns. Stop by our office or call 303-273-3316. The EHS telephone is monitored 24/7 to respond to chemical spills and other emergencies.
